

Welcome to cooler (and hopefully storm free) weather as we move through the FALL months. Although it has been a difficult year, the days have flown by and difficult as it is to believe, the Holiday Season is just around the corner. This year we will hold the Holiday Market for three (3) weekends. The **Holiday Market is scheduled to run December 5 & 6, 12 & 13 and the 19 & 20**. Lights and advertising are scheduled to be installed shortly and we hope this years Holiday Market will prove to be a successful one for all!

**WE ASK FOR YOUR CONTINUED COOPERATION regarding Louisiana's OPEN SAFELY PHASE 3:
Per the Office of the Governor and Open Safely:**

Despite some misinformation being shared, the Governor's public health emergency order REMAINS in effect at this time, and you should continue to adhere to the guidelines associated with it. While there has been a challenge to the Governor's order, it is still in place while this is being worked out in the courts. Louisiana remains in Phase 3 and the statewide mask mandate is still in place.

Enforcement efforts do continue across the safety of your customers and staff. We appreciate your commitment to remain Open Safely and for all of the hard work you are doing to slow the spread of the coronavirus in Louisiana.
