WE NEED YOUR HELP

Storm season is once again upon South Louisiana, and it is important that booth spaces are picked up at end-of-day Sunday. Per your Terms & Conditions, all merchandise in a Reservable or Outdoor space must leave with you on Sunday, roll-up doors are to be pulled down, and trash should leave with you. Items that are left at end-of-day Sunday are subject to disposal. When a storm with heavy winds occurs and doors are not secured, or merchandise remains in a booth, damages and trash issues occur throughout the market. Should it be necessary to have our Market Staff clean-up after you, or repair damages from negligence, you may be subject to additional charges.

NOTICE: Each Booth includes 1 table. Recently we have experienced vendors taking table tables from what appear to be unrented booths only to have daily vendors rent them though out the day, leaving our staff hunting for these missing tables. Vendors are allowed to bring additional tables with them should they desire. **PLEASE refrain from taking tables from another booths.**

OBSERVING MARKET HOURS:

We want to see all our Vendors Succeed! When Vendors **OPEN LATE** or **CLOSE EARLY**, it affects not only your sales, but the sales of those Vendors around you. Aisles with unopened booths often cause a customer to not continue further down an aisle to shop. The office staff receives many questions from Customers who arrive looking for merchandise or a particular product and are disappointed to find the vendor not present. **HELP US HELP YOU!**

RENT REMINDER:

To secure your booth for the following week your rent is due in the office by 3:00 PM Sunday. If not received, your booth becomes available to online renters at midnight Sunday. Should you call the office to pay your rent, please do so early. Our staff is busy collecting rent at the window and often is unable to answer your call after 1:00 PM.
